Late Arrivals
If you expect to arrive after 6 pm on the first day of your stay, please let the Park know so we can make arrangements for you to collect your keys. Unless the Park is previously notified, you must claim your accommodation by 8 am on the day after your holiday was due to start, otherwise we will treat your booking as cancelled.

Great family holidays
British Holidays Parks and their facilities are intended for family and adult holidays. We are therefore sorry that we cannot accept bookings from groups of young people under the age of 21 years or single sex groups (i.e. of more than 2 people) of any age. Discretion may be applied in certain circumstances. We reserve the right to retain the keys for accommodation if this condition is contravened. We also reserve the right to refuse or terminate a booking if we feel that the enjoyment of our holidays for guests may be put at risk.

What do you need to bring?
Our well equipped Self-Catering accommodation contains cooking items, crockery and cutlery. You will need to bring washing up materials, plus towels, toiletries and personal effects. Bed linen is at an additional charge in 3 Star and Bronze Olympic accommodation and on certain promotional offers. Parks will charge a £10 refundable deposit for bed linen in all accommodation.

Special requirements
If you have any other special requests regarding your holiday accommodation please advise us when making your booking and confirm your request in writing. Please include a telephone number in case of any query. We will endeavour to meet your requests, but we are very sorry that these cannot be guaranteed.

Disabled Guests
We are happy to provide as much advice and information as possible to people with disabilities who wish to holiday at our Parks. It is important that you talk to us before making the booking as, for example, not all Parks or accommodation may be suitable for some disabled guests and wheelchair access may be limited. Please let us have as much information as possible. Many of our Self-Catering Parks have caravans especially adapted for wheelchair users. Please note that due to their weight and size, not all accommodation is suitable for electric wheelchairs and we do not have roll-in showers. Some accommodation may only be accessible with assistance. Again, please discuss this with us before making your booking.

All requirements must be confirmed in writing. Special requests cannot be made a condition of your booking as they are always subject to availability.

Dogs and other pets
Most dogs are welcome in selected accommodation at certain Parks, at a charge of £40 per dog per week & £20 per dog per short break. (up to a maximum of two dogs per booking). Assistance dogs for disabled guests are exempt from this charge. We reserve the right to decline certain breeds of dog.

Other pets may be permitted at the discretion of the Park General Manager. Please contact the Park direct to discuss charges prior to making your booking. Parks which do not accept animals are clearly identified on the individual Park pages of this brochure.

Where dogs are allowed, they must always wear a collar and identity tag and be kept on a lead under control of a responsible adult at all times.

Dogs and other pets are not allowed entry to Park facilities, restaurants or food servery areas and swimming pool areas. Dogs are only allowed in 3 Star and Bronze accommodation, excluding 2004 model caravans. We reserve the right to require the owner of any dog or other pet to remove it from the Park if we consider it a nuisance or to be interfering with the general comfort of guests.

Please note that where a public footpath or right of way crosses our Parks, dogs cannot be excluded from that area.

Cots and highchairs
Cots are available for an extra charge. The cots will be located in the living area. Please remember to bring your own cot linen. Highchairs are also available for an extra charge - please call 0870 242 3333 for full cost and hire deposit charge details.

Children
We provide a range of indoor and outdoor facilities for children.

PAWs (12 months-4 years)
The PAWs programme operates on selected Parks throughout the main season from March-October. PAWs is an activity programme suitable for parents and children aged 12 months up to the age of 4. It is not a child minding facility and parents are required to remain and supervise their children at all times throughout the activity sessions. Places are limited and parents are asked to reserve a place on arrival at the Park.

Rompers playroom (under 5's)
At selected Parks, Rompers playrooms and play areas are a cheerful place where your children have the opportunity to play under your supervision, both during the morning and in the afternoon.

Bradley's FunTime and Bradley's Bear Club (5-11 years)
At all our Parks we operate Bradley's FunTime and Bradley's Bear Club between March and October. The various activities and facilities provided are suited to the particular age groups. At certain times of the year Bradley's FunTime and Bradley's Bear Club activities may be combined. It is not a child minding facility and parents are required to remain and supervise their children at all times throughout the activity sessions. See individual Park pages for details.

T-Co (12-16+)
With their own dedicated leader, T-Co operates on selected Parks from May to August. The activity programme is more limited outside the main school holiday period.

Your responsibility
Please note: Children remain the responsibility of their parents or guardians at all times, as they do at any of our activities or facilities. The club activities form part of our entertainment programme, and are not child care facilities. **We do not provide** supervision of the children during the sessions and this is not a child minding facility and parents are required to remain and supervise their children at all times throughout the activity sessions.

It is important that you always know where your children are and that you know the times that the activities start and finish.

It is particularly important that you make sure that your children understand that they should always obey the instructions of the FunStars, T-Co leaders, Sports Instructors/Co-ordinators and Lifeguards, so that the possibility of accidents can be reduced.

Please take care
Please treat the property, facilities and accommodation at your Park with respect and care so that other guests may continue to enjoy them. In the event that you notice damage to any facility or in your accommodation please report it to Reception immediately so that we can take the appropriate action.

Accommodation will be inspected at the end of the holiday and you may be charged for any loss or damage found. We reserve the right to enter accommodation under any circumstances or emergencies.

For the convenience of all our guests ball games are not permitted in the areas between and around the accommodation.

Licensing laws
In accordance with UK licensing laws, we can only sell alcohol to persons aged 18 or over. We may require you to show proof of age using an approved form of identification. We accept the following forms of ID: full passport, a new style driving licence incorporating a photograph or a Portman Group proof of age card.

Use of your holiday home
Only those people listed on the booking can occupy your accommodation and use the facilities of the Park. If this legal requirement is not met, your booking will be terminated and you will be asked to leave, with no refund made.

Unreasonable behaviour
For the convenience of our guests, we reserve the right to terminate a holiday without compensation, where the unreasonable behaviour of the persons named on the booking or their guests might impair the enjoyment, comfort or health of other guests.

Infectious diseases
Infectious or contagious diseases could easily be passed to other guests whilst on holiday. You must inform the Duty Manager should you contract any such illness whilst on holiday. In order to protect our guests and team, anyone found to have such a condition may be confined or requested to leave the Park. Please note that in such circumstances we are unable to offer refunds and we therefore recommend you take out personal insurance.

Calculating your holiday cost
The price grid on the individual Park pages show the "accommodation" element only for the holiday. The FunWorks passes element should be added accordingly to your party make up in order to arrive at your total holiday cost for the holiday date and accommodation chosen.

All other supplements
Supplements for Cots, Bradley Caravans, pets etc should be added to these costs. Please also note, supplements such as Cancellation Plan and Personal Insurance or Car Breakdown cover, must also be added and are strongly recommended to give you peace of mind.

Holiday prices
The prices and charges in our brochures or in these booking conditions are inclusive of VAT (where applicable). We guarantee once you have made your booking and paid a deposit we will not increase your holiday price unless you make a change to your booking, although we reserve the right to amend the VAT element of prices in the event of a change in the rate of VAT. Brochure prices shown are subject to change.

Certain caravans are not owned by us but are managed and let by us to holidaymakers on behalf of their owners who may not be registered for VAT. Where this is the case, the holiday price is not subject to VAT but includes an additional handling fee of 17.5% (inc. of VAT) so the final price for similar accommodation is identical.

Your holiday balance payment
Deposits are deducted from the full amount due. Bookings made within 8 weeks of the holiday start date must be paid in full. Full balance payment for your holiday is due no later than 8 weeks before the start of your holiday. The balance due date will be shown on your holiday confirmation. **Please note balance reminders will not be sent.** Please keep your final confirmation safe as you must present this on arrival at your Holiday Park. If the balance is not received by the due date then your holiday will be treated as a cancellation.

Payment for your holiday and cancellation plan
Payment can be made in full or by deposit to secure your holiday booking. It is a condition of booking your holiday that you can either take out our Cancellation Plan which covers you and your holiday party if you cancel your holiday, or a plan giving comparable cover. Our Cancellation Plan will be automatically added to your holiday booking and costs £22 per full week, or £11 per short break, per accommodation unit booked. If you do not wish to take our Cancellation Plan the charge will be waived upon production of a certificate of alternative cover, giving comparable cover. This certificate must be provided within 7 days of your receipt of our booking confirmation. Any cancellation should be notified in writing to us and any claim needs to go through your alternative cover.

Special and promotional offers
All offers are subject to availability and must be obtained by following specific offer terms and conditions. Offers cannot be obtained prior to, or following, the promotional period. In the majority of cases, only one offer will apply and offers may be withdrawn at any time.

Availability of facilities
The price grids on individual Park pages show the dates on which the Park is open. Please note that at Parks with more than one evening entertainment venue, at certain times of the season, entertainment may only be provided in one venue, in order to ensure everyone's enjoyment.

At selected Parks during these early and late periods entertainment is provided at weekends only, although our bars will be open for your enjoyment during the week. Certain facilities may also have height and/or age restrictions. Please check at the time of booking. To ensure our guests enjoyment in the Indoor and Outdoor Pools, session bathing may occur.

The operation of our Parks is subject to legislation and the guidelines laid down by the Health & Safety Executive and Local Authorities and their codes of practice. We accordingly reserve the right to adjust our services in order to meet these standards.

It is possible that in some circumstances accommodation, entertainment, sports activities or a facility may be temporarily withdrawn, due to maintenance, renovation, adverse weather conditions, changes in governmental legislation, or any other factor outside our control.

We reserve the right to make such alterations in the above circumstances without prior notice, and are unable to accept liability for the loss of an advertised facility, or to pay compensation for any inconvenience caused.

Should changes occur, we will advise of these changes where made prior to booking, and will use reasonable endeavours to advise guests already booked of any changes made thereafter.

Certain facilities are subject to an additional cost. Please note off peak facilities may be reduced or restricted. Facilities at the Park may be subject to a refundable booking deposit. You are welcome to use your own sports equipment, but equipment can be hired from the Park at a nominal charge. Parks which list fishing as a facility require a rod licence, and additional charges where applicable.

Venues
Due to space restrictions and licensing laws some facilities have age restrictions covering certain times. At Burnham-on-Sea, during school holidays children under 14 years may be restricted to one venue.

FunWorks Passes
All holidaymakers names are registered at the club on the Park. If you wish to join, it is to your advantage to pay for your passes in advance as passes paid in advance are £1 cheaper per pass than passes paid for on arrival. The prices of passes paid in advance are indicated with the current 2004 British Holidays brochure for each particular Park. Provided you have paid for your passes in full before the start of your holiday, you can collect your passes from Reception on arrival. Your FunWorks pass entitles you to use the swimming pools, participate in the Children's Clubs together with the use of the leisure/entertainment facilities and coarse fishing lakes. Off peak FunWorks passes for Spring and Autumn include reduced entertainment and restricted facilities and are therefore offered at a reduced rate. Please note that the Local Club Licensing Laws are such that members names and addresses must be registered a minimum of 48 hours in advance. If FunWorks passes are lost, it will be necessary to charge for replacements at the Park. The cost of individual passes may vary from Park to Park. Please check at Reception.

Brochure accuracy
We take every care to ensure that the details within the brochures are accurate at the time of going to press. Photographs are taken at our Parks and are intended for guidance only. Layout plans are for illustrative purposes only. Please note that not all facilities and activities will be identical at all Parks. Acts and artists featured are representative of ones planned to appear in 2004. All reasonable efforts are made to ensure these acts and artists appear. If, for any reason, they are unable to appear, acts of a similar calibre will be entertaining guests during the season. Please check when booking. No party shall be allowed to reproduce any of the contents of this brochure (including photographs) without written permission of British Holidays or any other copyright owner.

If you have a comment
If you feel that you have any comments or complaints whilst on holiday you should contact the Park's Reception or Customer Relations Team at the Park during your stay so that we can try to resolve any problems as soon as possible. If, at the end of your holiday, you feel that we have not dealt with your complaint satisfactorily, please write to the General Manager at the Park at your earliest convenience. Alternatively, write to Guest Relations, British Holidays, 1 Park Lane, Hemel Hempstead, Herts, HP2 4YL.

CONDITIONS OF BOOKING

The Holiday Contract
The following terms and conditions (the 'booking conditions') will apply to your booking. A contract between you and British Holidays will come into existence either (i) when we accept your booking and deposit payment by issuing written confirmation of your booking or (ii) if you have made your booking by telephone when we tell you on the telephone, or on line over the internet that your booking is confirmed or (iii) if you make your booking through a travel agent when your travel agent tells you your booking is confirmed.

The contract binds you and all the members of your party. It is your responsibility to ensure that all members of your party accept the terms of the contract set out in these terms and conditions of booking. Failure to disclose all relevant information or comply with these terms may lead to termination of the contract and loss of the booking.

If you change your booking
After you have paid your deposit you may wish to change some elements of the holiday, e.g. type of accommodation. We will try to meet your request, however, a charge of £20 per alteration to the holiday will be payable. Substantial changes, such as a change of location or holiday date will be treated as a cancellation (see below).

Any changes must be made at least 8 weeks before the holiday date, and be confirmed to us in writing/by telephone by the same person who made the booking or their Travel Agent.

Where changes are sought to be made within 8 weeks of the start of the holiday it will be treated as a cancellation, and be subject to cancellation charges as outlined.

If you cancel your booking
Should you wish to cancel your holiday please call the Customer Care Department on 0870 242 3333 and they will advise you on the documentation we require to process your cancellation. Your cancellation must also be notified to us in writing. The written notification should be sent to us by recorded delivery as your cancellation will not take effect until we receive the written confirmation. If we do not receive written confirmation of your cancellation before your holiday has commenced no refund will be given.

Our Cancellation Plan covers your cancellation in event of you or any other member of your holiday party being unable to travel due to sickness, redundancy or jury service. Proof in the form of a Doctor's Certificate, Employer's or Court Notification will be required in writing by recorded delivery prior to your confirmed holiday start date.

If you are covered by our Cancellation Plan and comply with our Cancellation Plan procedures in the condition above, you will be entitled to a full refund of all monies paid subject to:
1. An administration charge of £40, unless your cancellation occurs within 48 hours of your holiday start date, in which case the refund will be limited to 30% of the total holiday cost.
2. If you have our Cancellation Plan on your booking and need to cancel your holiday for reasons other than stated above, you will incur the following cancellation charges in line with the sliding scale shown below, which covers the costs and expenses which we incur as a result of your cancellation.
3. Payments made with vouchers or credit notes will not be refunded.

Number of days in advance of holiday start date cancellation charges are payable:

Length of time	Cancellation Charge
56 days or more	Deposit and Insurance premium(s)
43-55 days	30% of total holiday cost
42-29 days	50% of total holiday cost
28-8 days	90% of total holiday cost
7 days or less	100% of total holiday cost

Please note that the minimum charge is £40 per accommodation unit cancelled. Payments made by Credit Card will be repaid to the same Credit Card if the Cancellation Plan is paid out.

If you do not take out Cancellation Plan or an insurance cover of your own NO REFUND WILL BE GIVEN ON ANY MONIES PAID.

If we make any major alterations to your booking
We try very hard to provide all facilities and entertainment as advertised in our brochures. It may however be necessary to make some alterations in advance of your holiday. If such a change is necessary, we will endeavour to advise you, or your travel agent in writing as soon as possible, and give you the options in the section entitled 'Options if we make a major change or cancel your booking' shown below.

If we cancel your booking
We will try very hard not to change the date or cancel your booking, but in exceptional circumstances this may be necessary. We will inform you of the change in date or cancellation as soon as possible and give you the options listed below.

Options if we make a major change or cancel your booking
If we cancel your holiday or make substantial changes, we will notify you or your travel agent as soon as possible and offer you a choice of:

a) a replacement holiday at least comparable to the standard booked or
b) a replacement holiday together with the difference in price between the replacement holiday and the holiday booked or
c) a full refund

In addition to the above and provided it does not arise from circumstances amounting to force majeure*, we will also pay you compensation for any provable loss.

*Force majeure means circumstances beyond our control including (but not limited to) industrial disputes, natural disasters, fire, technical problems, bad weather and acts of government.

Limitation of Liability
We accept responsibility for those arrangements of your holiday which are within our control, but we cannot accept liability for any injury, loss or damage suffered by you or any other member of your party, unless one of the following applies:
(1) there was wilful default by us, our employees or agents; or
(2) death or personal injury was caused by the negligence of British Holidays, our employees or agents.

For all claims other than death or personal injury, which result from the non-performance or improper performance of the contract by British Holidays, British Holidays will pay compensation that is reasonable in all circumstances. You are asked to notify any shortcomings or complaints to the Reception/Duty Manager immediately, so that they can be remedied for you. Claims may be reduced or rejected if we have not been given the opportunity to put matters right or investigate your concerns.
